

## Wenbo Zhu

---

### CONTACT INFO

**Email:** [wz1305@nyu.edu](mailto:wz1305@nyu.edu)

**Address:**

Courant Institute of Mathematical Sciences,  
New York University,  
60 Fifth Ave., Office 550,  
NY 10011, USA

**Website:** <https://i6.cims.nyu.edu/~wz1305/>

**Open-source Projects:** <https://github.com/Wen-bo-Zhu>

### EDUCATION

**New York University, USA**

2018 Sep. - 2022 May.

B.A., Computer Science and Psychology

**University of Chicago, USA**

2022 Sep. - 2023 Dec.

M.S., Computer Science

Research direction: Distributed Networking, Big Data Scheduling, Cloud Computing models, Information Retrieval, Sentiment Analysis

### PUBLICATIONS

**1. Optimizing Distributed Networking with Big Data Scheduling and Cloud Computing**

**Wenbo Zhu**, 2021 International Conference on Cloud Computing, Big Data and Digital Economy (ICCBD 2021).

**2. Twitter Sentiment Analysis of Covid Vaccines**

**Wenbo Zhu**, Tiechuan Hu., 5th International Conference on Artificial Intelligence and Virtual Reality (AIVR 2021).

### AWARDS

**Dean's Undergraduate Research Fund Recipient**  
New York University, 2021

**Dean's List**  
New York University, 2021

**NYU Tandon Data Analytics Certificate**  
New York University, 2020

**American Mathematics Competition Award**  
AMC, 2018

**California Scholastic Federation Award**  
CSFA, 2018

### CONFERENCE

**ICCBD Conference Contributed Talk**

2021 International Conference on Cloud Computing, Big Data and Digital Economy (ICCBD 2021)

**AIVR Conference Contributed Talk**

2022 6th International Conference on Artificial Intelligence and Virtual Reality (AIVR2021)
